

The Owner / Occupier

Our Ref: SfC/TDD/W/WR/01

Date: 15th September 2015

Dear Sir / Madam

TYPE OF WORKS: CARRIAGEWAY SURFACE RENEWAL
LOCATION: WESTFIELD ROAD, ROSEBURN STREET, WEST APPROACH ROAD
ESTIMATED START DATE: 27th SEPTEMBER 2015

General Details

As part of an investment in Edinburgh's roads and footways for 2015/16, the carriageway in Westfield Road and part of the carriageway in Roseburn Street and West Approach Road will be resurfaced. The carriageways have been prioritised because of their current condition, and the works will improve both travelling experience and visual appearance of the surface. This work is scheduled to commence on Sunday 15th September 2015 and will last approximately 8 weeks depending on weather and other circumstances. The actual start date and works duration will be confirmed on notices erected in the street prior to works starting.

Road use during the Works

To allow for the safe execution of the works a temporary traffic regulation order (TTRO) has been promoted to suspend parking, introduce one way systems and impose road closures. Street notice signs will display changes to parking restrictions or access. Please do not park on-street during these times as all vehicles will be removed from the location of the works.

Phasing of Works

In order to reduce inconvenience to a minimum and provide access to residencies and businesses the works will be phased as follows:-

Phase 1 – 24hrs a day 7 days a week for the duration of the Phase

Roseburn Street will be closed to vehicular traffic at its junction with Westfield Road in order for traffic to flow freely on Westfield Road. Please follow the diversion route signs that will be in operation for the alternative route.

Westfield Road from Sainsbury's junction to the West Approach Road and the West Approach Road from Westfield Road to the bottom of the Dundee Street slip road on the West Approach Road will be closed to westbound traffic. Only eastbound traffic will be allowed on the aforementioned route. Please advise visitors to your premises that access will only be gained from the west side of Westfield Road. Please follow the diversion route signs that will be in operation for the alternative route for westbound traffic.

Tel 0131 469 5678 RoadServices@edinburgh.gov.uk

Phase 2 – 1900hrs to 0600hrs Sundays to Fridays for the duration of the Phase

Roseburn Street will be closed to vehicular traffic at it's junction with Westfield Road. Westfield Road and the West Approach Road will be closed to vehicular traffic form Sainsbury's junction to the bottom of the slip road of the West Approach Road to Dundee Street. Please follow the diversion route signs that will be in operation for the alternative routes.

Minimising disruption and noise

Every effort to minimise disruption and noise will be made, but unfortunately some is unavoidable during road works. Your patience is very much appreciated during any delays that occur. Throughout the programme, emergency vehicle and pedestrian access will be maintained.

Customer Feedback

A customer questionnaire will be sent to you on completion of the works. Feedback is welcomed on the performance of this project, and will use this information to help improve our performance on future projects.

I apologise for any inconvenience that these works may cause, but hope you will benefit from the improved street condition in the future. If you require any further information, please contact me using the details shown below.

Yours sincerely

Calum McQueen
